

Nuvi50LM Bundle

The Garmin NUVI50LM BUNDLE includes the Nuvi 50LM 5.0 In. GPS Navigator, Free Lifetime Map Updates and Friction Mount. With a big 5 inch (12.7cm) touchscreen, more than 5 million points of interest (POIs) and spoken turn-by-turn directions, Nuvi 50LM makes driving fun again. Plus with FREE lifetime map updates, you always keep your roads and POIs up to date.

Get Turn-by-Turn Directions

Nuvi 50LM's intuitive interface greets you with 2 simple choices: "Where To?" and "View Map." Touch the screen to easily look up addresses and services and to be guided to your destination with voice-prompted, turn-by-turn directions that speak street names. It comes with City Navigator NT data with preloaded street maps of the lower 48 states, Hawaii, Puerto Rico, U.S. Virgin Islands, Cayman Islands, Bahamas, French Guiana, Guadeloupe, Martinique, Saint Barthelemy and Jamaica. Nuvi 50LM's speed limit indicator shows you how fast you can go on most major roads. With its "Where Am I?" emergency locator, you always know your location. It also comes preloaded with millions of POIs and offers the ability to add your own.

Enjoy FREE Lifetime Map Updates

With FREE lifetime map updates, you always have the most up-to-date maps, POIs and navigation information available at your fingertips. Map updates are available for download up to 4 times a year with no subscription or update fees and no expiration dates.

Know the Lane Before It's Too Late

Now there's no more guessing which lane you need to be in to make an upcoming turn. Available in select metropolitan areas, lane assist with junction view guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate. It realistically displays road signs and junctions on your route along with arrows that indicate the proper lane for navigation.

- View routes on the 5.0" (12.7 cm) touchscreen
- Look up addresses for over 5 million points of interest
- Hear spoken street names
- Know the lane before it's too late with lane assist with junction view
- Keep out of trouble with the built-in speed limit indicator

Physical & Performance

Unit dimensions, WxHxD:	5.5"W x 3.4"H x .7"D (14.0 x 8.6 x 1.8 cm)
Display size, WxH:	4.4"W x 2.5"H (11.1 x 6.3 cm); 5.0" diag (12.7 cm)
Display resolution, WxH:	480 x 272 pixels
Display type:	WQVGA color TFT with white backlight
Weight:	6.3 ounces (177.2 g)
Battery:	rechargeable lithium-ion
Battery life:	up to 2 hours
Headphone jack/audio line-out:	no
High-sensitivity receiver:	yes
Waterproof:	no

Maps & Memory

Preloaded street maps:	yes
Includes lifetime map updates:	yes
nüMaps Guarantee:	yes
3-D terrain view:	no
3-D buildings and landmarks view:	no
Built-in memory:	internal solid state
Accepts data cards:	microSD card (not included)
Waypoints/favorites/locations:	1000
Routes:	0

Features & Benefits

Drive stress-free. Save time and money.

Voice prompts (e.g. "Turn right in 500 ft."):	yes (internal speaker)
Speaks street names (e.g. "Turn right ON ELM STREET in 500 ft."):	yes

**Recommended for Most
Passenger Cars**

The interior of our cars can be some of the most challenging environments in our everyday lives to keep fresh and inviting. The time people spend in their vehicles continues to increase which creates more of a need to control issues such as exhaust fumes, food, smoke, sweat or from transporting pets. The new Ultra High Density Plasmacluster Ion Generator for vehicle use works with quiet consistency to help remove these odors and pollutants from not only the air, but also to inactivate the odors that get trapped in interior fabrics and creating a more neutral and fresh smelling interior environment. Keeping a fresher smelling vehicle can help create a more pleasurable drive and preserve value.

Features:

Washable Pre-Filter - traps dust, dirt and other airborne particles.

Plasmacluster Technology - splits water molecules into positively and negatively charged ions, which spread throughout the vehicle, surrounding odor particles. This system effectively restores the natural balance of ions in the air, similar to being near a waterfall or just after a thunderstorm. This restored balance helps refresh the air and leaves it cleaner smelling.

Simple One-Touch Operation - allows the user choose among 2 fan speeds.

Library Quiet™ - operation is ideal for bedrooms and living rooms. Silent Mode is as quiet as 28 decibels, about the volume of rustling leaves. This allows for continuous use without disturbing normal conversation or music.

Energy Efficient - operation means it's easy on your wallet. With its advanced technologies, it only uses 1.3 watts on low and 2.3 watts on high.

Long Life Ion Engine - allows for up to six years of use before replacement or a total of 19,000 hours without a decrease in performance.

Specifications

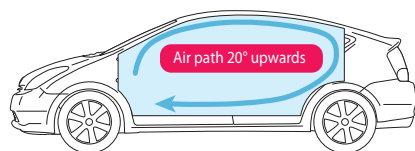

Model Number	IG-BC2UB
Applicable Floor Space (sq. ft.)	39 (about 130 cubic feet)
Electric (Volts)	12V- DC
Plasmacluster® Technology	Yes, Ultra High Density (25,000 Ions/cm ³)
Plasmacluster® IonModes	On/Off
Filter Type	Washable Micro-Mesh
Fan Speeds	2 (High/Low)
Manual Operation	Yes
Purified Air Louvers	Yes, Top of Unit
Control Lights On/Off	No
Library Quiet®	Yes- Only 28 db on low setting
Power Consumption (Watts)	2.3 High / 1.3 Low
Standby Power Consumption (Watts)	.3
Cord Length	5'
Average Filter Life*	6 Years - Replacement Engine Number: IZ-CBC2U
Unit Dimensions (h x w x d) (in inches)	6" x 3 1/8" x 3 1/8"
Net Weight	.75 lbs.
Carton Weight	1.0 lbs.
Country of Origin	Thailand
UPC	074000663114
